COVID-19 Update – Pop-up Clinics

FOR IMMEDIATE RELEASE

GO Health Departments will be on the road with Pop-up Clinics. The Pfizer vaccine is approved to vaccinate anyone 12 years old and older. All clinics are now available for walk-in and registration.

"The Pop-up Clinics are a great way for our residents to conveniently get vaccinated. The clinics have been running very smoothly and residents seem happy that they don't have to travel very far to get their vaccination," stated Paul Pettit, Public Health Director for GO Health.

Pfizer, J & J and Moderna clinics offer walk-in opportunities; however, we encourage you to register via the links below and choose the vaccine that best works for you to guarantee your dose, better space your appointment time, and make your check-in process easier.

For those who do not have internet they can call the GO Health Vaccine Registration Help Lines:

- Genesee: (585) 815-7168
- Orleans: (585) 589-3170

These lines are ONLY to make vaccine appointments, are not able to answer COVID-related questions, and are not associated with either Health Department.

"This is a great opportunity for more people to get vaccinated and will help us enjoy activities this summer with fewer restrictions," stated Pettit. "There continue to be plenty of options to get any of the three vaccines offered."

"Healthy People in a Healthy Community"

If you are a business/church/organization that is interested in hosting a vaccination clinic at your location, please fill out the survey: **https://www.surveymonkey.com/r/GOHealthPopUpVaccineClinic.** One of our staff members will be in contact with you.

For those who are seeking testing, both health departments provide limited free rapid testing for those without symptoms at the respective Health Departments. For Genesee County, a rapid test drive-through clinic is scheduled for June 3rd 1:15 p.m. - 2:30 p.m. at County Building #2, 3837 West Main St. Road, Batavia. For Orleans County, a rapid test clinic is scheduled for June 2nd 10:00 a.m.-10:30 a.m. at the Orleans County Health Department at 14016 Rt. 31 West, Albion.

To register for testing for the Genesee Test Clinic: http://bit.ly/GeneseeTests. To register for the Orleans Test Clinic: https://bit.ly/OCHDRapidTest.
