2023 IMMUNIZATION CLINIC

APPOINTMENT NECESSARY
CALL 344-2580 ext. 5555

Children and MMR for College Students

- For Children 18 years of age and younger who do not have private health insurance covering immunizations and students of any age currently enrolled in or entering a post-secondary institution which requires the MMR.
- No Fee for vaccine for children who do not have health insurance covering immunizations or who are enrolled in Medicaid, Medicaid Managed Care or Child Health Plus. Children enrolled in a private health insurance plan are considered to be “fully insured” and are not eligible for the Vaccine for Children Program.
- An administration fee will apply for each injection.
- Immunization records must be provided at the appointment.
- College students requiring MMR must provide forms from college indicating need for vaccination.
- All children under age 18 must be accompanied by a parent or “legal” guardian (legal paperwork of such guardianship is required).

ADULT CLINIC

- This clinic is for adults 19 years of age or over.
- There is a fee which is payable at the time of injection, and is non-refundable.
- The Genesee County Health Department is only able to bill certain insurances for limited vaccinations. All others must be paid by cash or check by client.
- The Genesee County Health Department cannot bill Medicare for these services.
- Medicaid and other state-funded programs (Child Health Plus, Family Health Plus) will NOT reimburse under these circumstances.
- It may be necessary to receive the vaccination from your private physician or other provider in order to receive insurance benefits.
- Please contact your insurance provider for reimbursement information prior to receiving the vaccination at a Genesee County Health Department Clinic.
