Public Health Director

**RELEASE DATE:**

6/7/2023

**FOR IMMEDIATE RELEASE**

**Orleans County Anti-Rabies Clinic Cancelled Tonight Due to Air Quality Advisory**

The Air Quality Index for Orleans County is now listed as 'Very Unhealthy'. At this level, everyone may experience more serious health issues when they are outside. Conditions may continue to deteriorate before they improve, so the Orleans County Health Department has cancelled the Anti-Rabies Immunization Clinic that was going to be held this evening, June 7<sup>th</sup>, 2023 from 4:00pm-6:30pm at the Orleans County Fairgrounds. The anti-rabies clinic will be rescheduled as soon as possible and a press release will be issued.

To monitor the Air Quality Index (AQI) Forecast, visit the [Department of Environmental Conservation Website](#).

Residents can also call the New York State Air Quality Hotline at 1-800-535-1345 for more information.

To access the Fire and Smoke Map, visit the [AirNow Website](#).
