"Funded by the New York State Department of Health using federal Health Resources and Services Administration Title V funding. The opinions, results, findings and/or interpretations of content contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations or policy of the State or Federal funding agency."

The CYSHCN program is a no-cost resource and referral program.

The CYSHCN program is for children from birth to 21 years who have, or are suspected of having, a serious or chronic physical, developmental, behavioral, and/or emotional condition.

The CYSHCN program provides resources for families to improve the health and care of children who need special assistance.
